## The Barn

The Barn has its own amenities, and disabled parking, with open views of Normandy Hill and the surrounding countryside.

The space can be configured around your needs, with boardroom, theatre and classroom seating styles accommodating up to 60 people.

A welcoming hub at the heart of Houlton, Dollman Farm is a flexible community space set in inspiring surroundings. Created from history and made for you.

# DOLLMAN FARM

Forming a natural courtyard and a focal point for Houlton, the Dollman Farm complex comprises The Barn, a lovingly restored original farm building, The Visitor Centre, and finally The Tuning Fork, a stylish new eatery. Dollman Farm provides the perfect setting for your group to network, focus on a task at hand or simply get together and reconnect.

Inspired by the heritage of the former radio station from which it takes its name, The Tuning Fork eatery is a wonderful venue to share with colleagues for an internal meeting and is open for breakfast, lunch and dinner. You'll find delicious menus inspired by the season and partnerships with local producers.
