

WATERBEACH

Community Projects – Waterbeach Toddler Playgroup

Over 350 people took part in Waterbeach Toddler Playgroup's first running festival at Waterbeach Barracks in May, raising over £1,800 for the charity. The Playgroup has been a feature of the village for over 30 years and is seeking to raise money for relocation. We were delighted to open up the Barracks for a family-friendly fundraising event and help support this important part of Waterbeach's existing community.

“

The Barracks was the perfect setting and the Urban&Civic team's help before, during and after the event was invaluable. We're looking forward to organising our next event soon.”

JESSICA KITT

General Trustee, Waterbeach Toddler Playgroup
