Seeing is believing

During the course of the year we have run many stakeholder tours around our sites for a wide range of investors, Homes England, government departments, local authorities and community groups. These tours allow stakeholders to experience the scale and quality of the Master Developer delivery in person and allow us to explain the various ingredients that go into creating fully serviced land parcels. They form an essential part of our external outreach and wider knowledge sharing, ensuring we can promote innovation and best practice. Seeing really is believing when operating across a large scale strategic site.
