DESIGN WITH  
YOUR  
COMMUNITY

ADAPTABLE

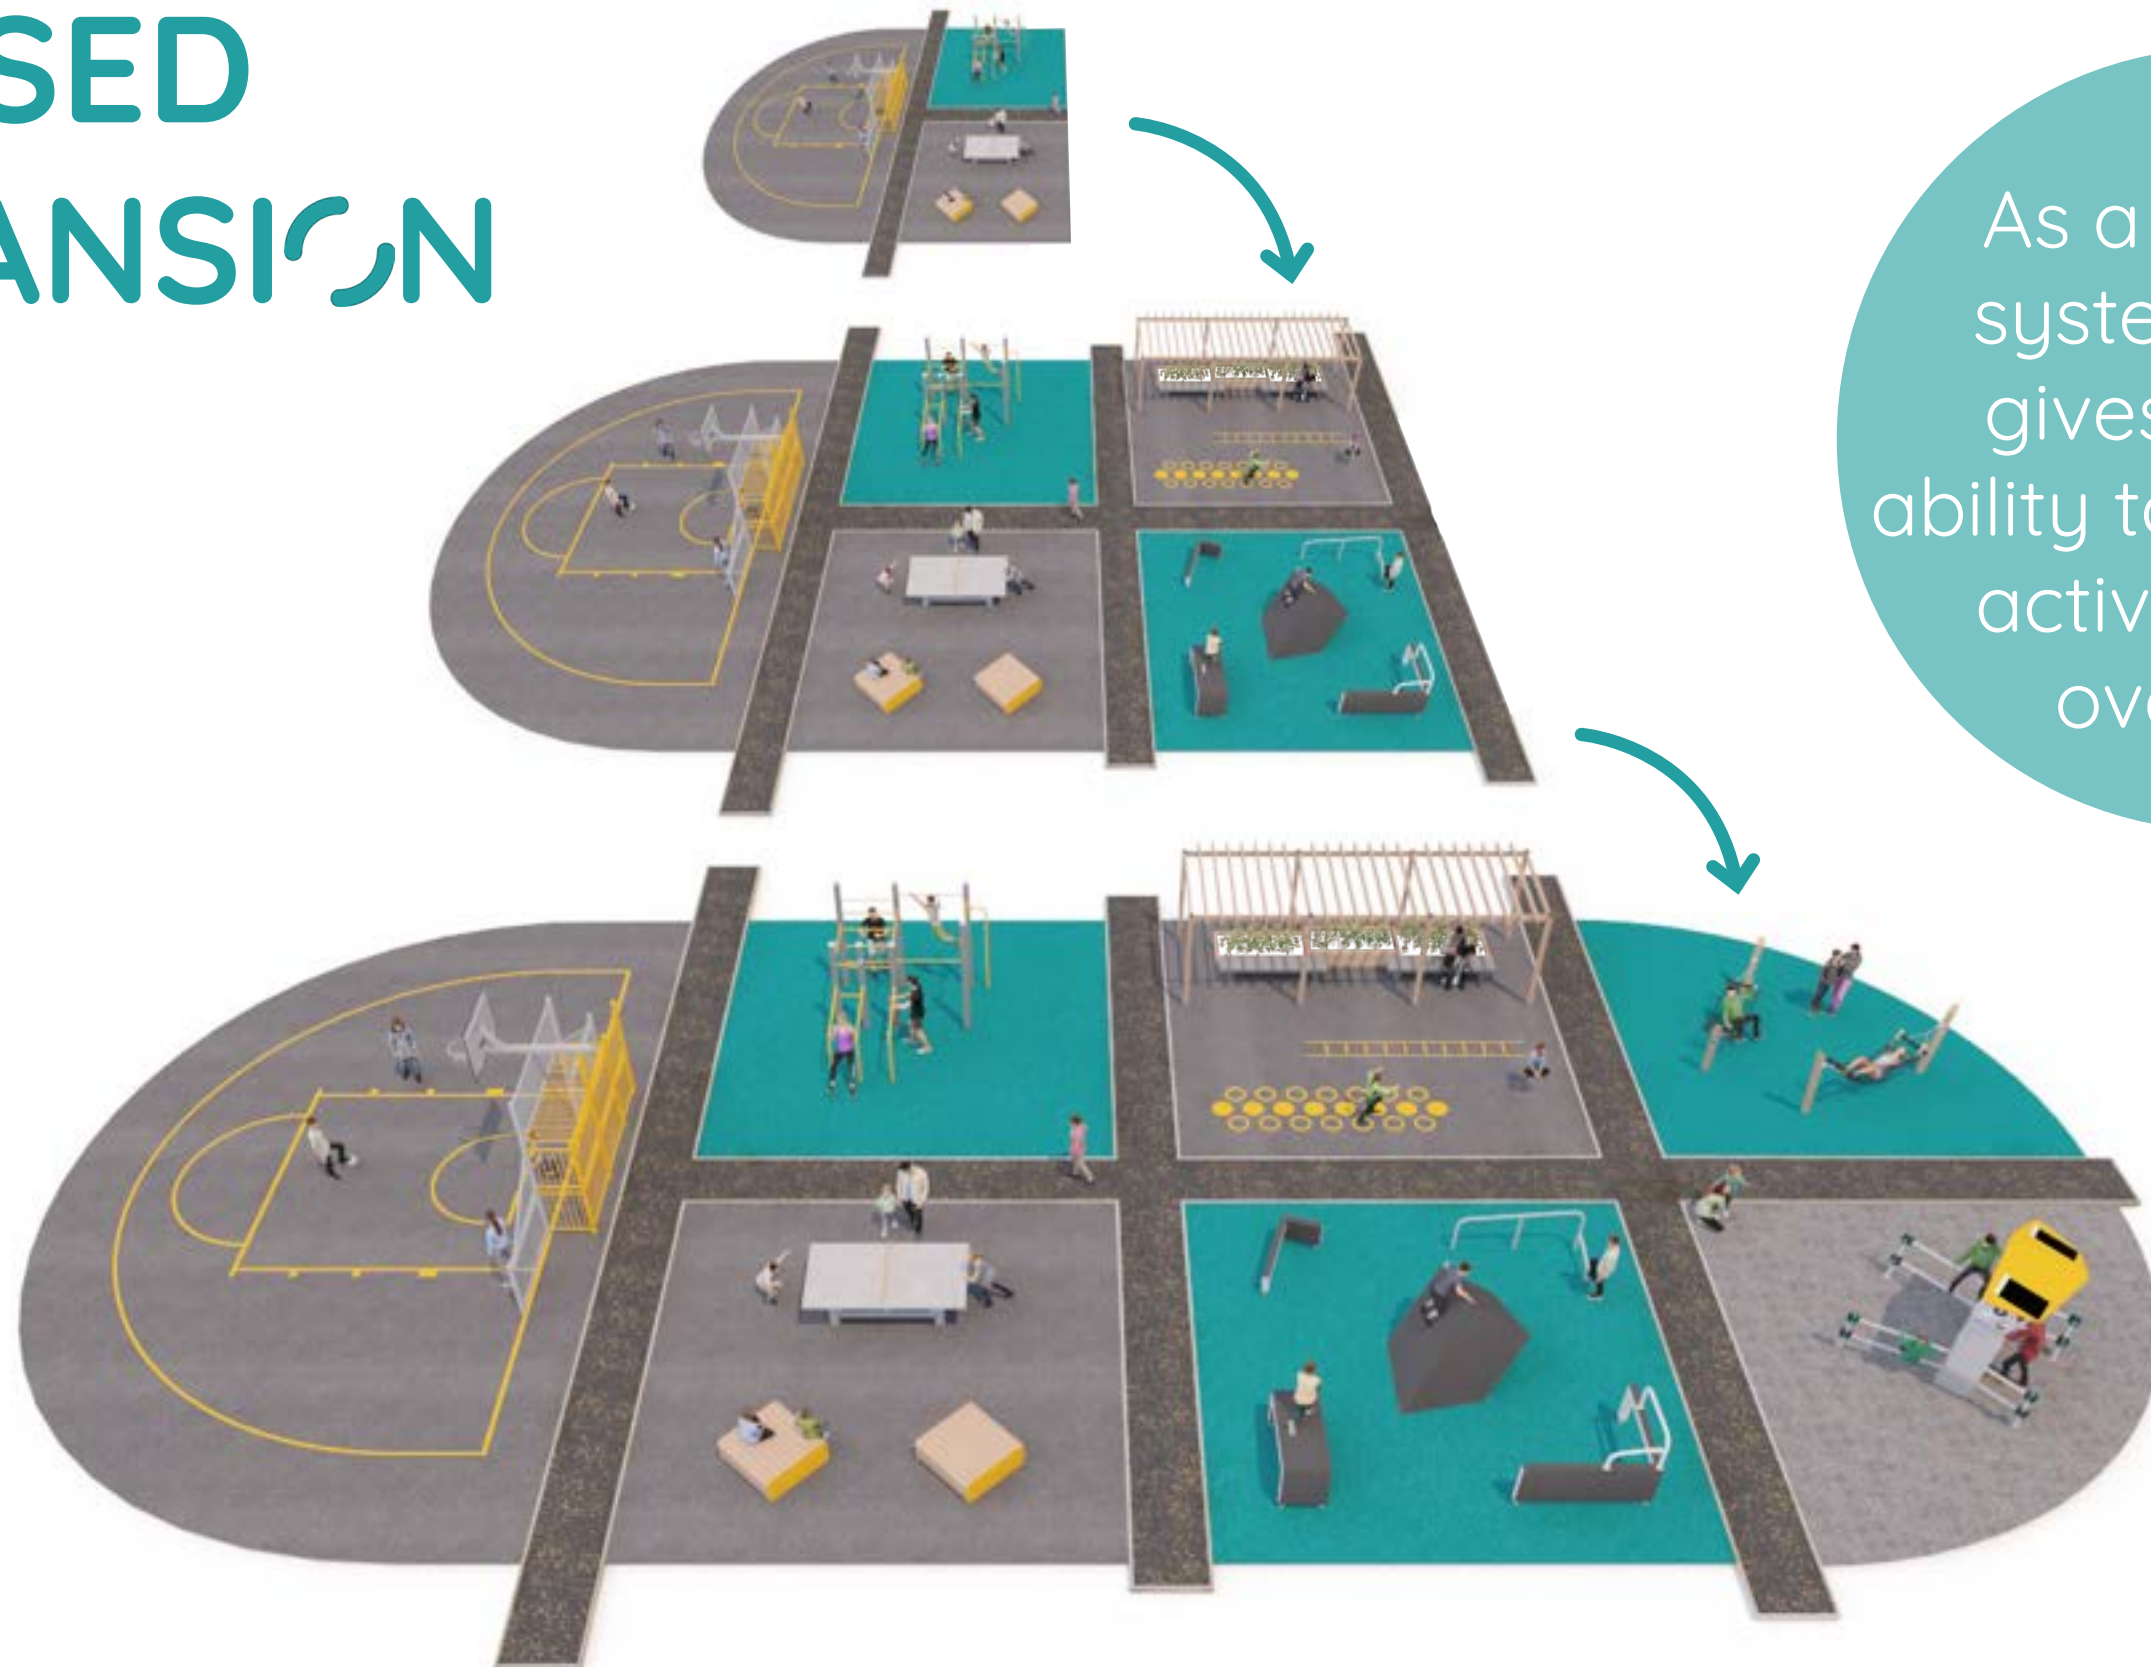

We believe that involving local communities through consultation is essential to truly understanding and meeting their needs. This approach not only fosters a sense of ownership but also leads to a more inclusive and well-designed space. We customize our consultation process to align with the specific goals and aspirations of each project.

Here is a KORE space designed by teenage girls, with multiple hangout spaces, an outdoor gym area, and a FONO DJ Booth!

# PHASED EXPANSION
