**Directions to the C-Station**  
SatNav Postcode: CV23 0AS

## Directions from the south

If travelling from London/the south, it is best to travel along the M1 and turn off at junction 18, take the first exit once off the motorway and follow signs for the A5 north over two roundabouts.

## Directions from the north

If travelling from the north, it is best to travel along the M1 and turn off at junction 18, take the third exit once off the motorway and follow signs for the A5 north over two roundabouts.

## Entrance

The turning for the C station is along the A5 on the left, approximately 1km from the second roundabout.

There is a telephone at the gate to call for the gates to be opened. Once through, the road takes you all the way up to the C-Station building and there is ample parking to the right of the building.
